- Identifying the inputs and investment
- Identifying the outcomes
- Identifying proxies
- Understanding drop off, attribution and dead weight
- Assessing and reporting value.

HALF DAY WORKSHOP £75

MARKETING SOCIAL VALUE

CONSULTANCY SERVICES

- Bespoke impact measurement exercises (SROI, SAA, soft outcomes)
- Advise staff tasked with measuring social value
- Social value healthchecks and audits
- Improving practice
- How to build value measurement into your business model.

Social Enterprise specialist and SFEDI accredited adviser, David Lane, will run these practical workshops, guiding you through each stage of social value measurement. David is a trained practitioner in social value measurement with over 20 years' experience working at a senior level in the not-for-personal-profit sector.

WORKSHOPS

Measuring your impact is only half the story; it's what you do with the results that gives you an edge. If you're serious about benefiting from the opportunities arising from the Social Value Act, it's time to think beyond simply reporting your impact and start marketing it!

These half-day workshops introduce social enterprises and voluntary organisations to 'Social Value Marketing' and provide the underpinning knowledge to develop a strategic approach when demonstrating social impact.

Who should attend?

- Organisations at the early stages, or in the process of, impact measurement
- Those ready to communicate their SROI, social accounts or other findings
- Social impact practitioners
- Business development managers
- Bid writers and fundraisers
- Programme and contract managers
- Marketing and communications officers.

Marketing social value

Improve the use of findings to secure contracts and open doors to new opportunities.

- Getting the basics right
- Communicating what customers value
- Organising evidence for everyday use
- Marketing to internal audiences
- Selecting the right communication tools and channels
- Preparing to announce results
- Effective ways to bring your evidence to life
- Campaign planning.

HALF DAY WORKSHOP £75

Impact communications

Translate evidence into well produced and clear communications.

- How to produce compelling case studies
- Writing an executive summary
- Storytelling
- Producing impact reports
- Presenting facts and figures
- Devising key messages
- Social media campaigns
- Creating infographics.

HALF DAY WORKSHOP £75

CONSULTANCY SERVICES

We offer a range of professional and affordable marketing and communications services to help organisations tell their story, including:

- Audience analysis
- Embedding social value within marketing plans
- Case study and client testimonials service
- Drafting and editing impact reports
- Integrated communication campaigns.

Marketing workshops and consultancy services are delivered by experienced marketing professional Ranjit Bansal of DYNAMIC. Ranjit has a 15 year track record in social enterprise marketing and communications and will share practical examples, tips and techniques to help organisations maximise the commercial benefits of their social value.

Measuring and Marketing Social Value for Competitive Advantage is a flexible package of workshops and consultancy services designed for social enterprises, voluntary organisations and charities looking to improve their market position by better understanding and communicating their impact.

Developed and delivered by sector specialists Development in Social Enterprise CIC and DYNAMIC Marketing, the programme is ideal for those at the early stages of impact measurement right through to more experienced practitioners seeking to expand their knowledge and gain new ideas.

The Social Value Act is here to stay. Harness the true potential of your economic, environmental and social impact in order to:

- Win new contracts
- Extend and expand existing contracts
- Develop new partnerships
- Secure CSR opportunities
- Make the case for social investment
- Demonstrate added value to funders and supporters
- Improve your services and processes
- Raise your profile and increase credibility
- Create more social value.

How to book
