» CLIENT FEEDBACK

4.7/5.0 average customer rating across **19 projects**

“Development in Social Enterprise have gone above and beyond what was required and have certainly given us value for money!”

THE DIGBETH TRUST

“From the first day, our DISE consultant demonstrated excellent knowledge and expertise and spent time listening to and understanding what we needed, then went out of their way to deliver what we were asking.”

ENRYCH

“DISE has been consistently professional, positive, and sensitive to the needs of our organisation as it faces a challenging future. We have been given the tools to enable us to get to grips with a number of major issues, and look forward to implementing them.”

PERS

“We are really pleased with the effort and attention to detail delivered by DISE and look forward to continuing to work with them.”

THE BEST NETWORK

“DISE were very good at speaking to all motivations throughout the organisation in an engaging and supportive way.”

BRIGHTON & HOVE COMMUNITY WORKS

“DISE were realistic about what they could deliver, and keen that we would learn from the process thus permanently increasing our capability.”

GMCVO

Development in Social Enterprise CIC

We provide bespoke business support and consultancy services for social enterprises, charities, voluntary organisations and start-ups.

Our mission is simple.

Do Good Business and Create Social Value
